The Readfield Select Board recently approved the establishment of an Ad Hoc committee consisting of 5 members, referred to as the Age Friendly Committee. The committee is charged with creating an inventory of desirable resources and services. This group was awarded a grant of \$6,000 from AARP to survey the needs and aspirations of the aging population of Readfield. With these funds, residents will be surveyed to determine the priorities of our community. Based on these results, an action plan with recommendations will be presented to the Select Board.

We look forward to living in a community that is supportive of our town's aging population.

For more information, please contact any committee member as follows: Ann Mitchell (685-4621), John Moran (685-0050), Marianne Perry (685-3531) or Romaine Turyn by e-mail [romainemt@myfairpoint.net](mailto:romainemt@myfairpoint.net) and also Select Person Bruce Bourgoine at (685-3702).
